

SUMMARY ANNUAL REPORT

TEAMSTERS MANAGED HEALTH CARE TRUST FUND

This is a summary of the annual report of the Teamsters Managed Health Care Trust Fund, EIN 94-3138272, for the year ended December 31, 2019. The annual report has been filed with the Employee Benefits Security Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

Insurance Information

The plan has contracts with Kaiser Foundation Health Plan, Inc., United HealthCare of California and United HealthCare Insurance Company to pay certain medical claims incurred under the terms of the plan. Life insurance and accidental death and dismemberment benefits are provided through a group insurance contract with The Prudential Insurance Company of America. Certain vision benefits are provided through contracts with Vision Service Plan. Dental benefits are provided through contracts with Delta Dental of California and Liberty Dental Plan of California, Inc. The total premiums paid for the plan year ending December 31, 2019 were \$95,402,616.

Because one of the contracts with United Healthcare of California is a so called “experience-rated” contract, the premium costs are affected by, among other things, the number and size of claims. Of the total insurance premiums paid for the plan year ending December 31, 2019, the premiums paid under such “experience-rated” contract were \$13,674,802 and the total of all benefit claims paid under the experience-rated contract during the plan year was \$10,903,081.

Basic Financial Statement

The value of plan assets, after subtracting liabilities of the plan, was \$29,157,887 as of December 31, 2019, compared to \$25,028,121 as of January 1, 2019. During the plan year the plan experienced an increase in its net assets of \$4,129,766. This increase includes unrealized appreciation or depreciation in the value of plan assets; that is, the difference between the value of the plan’s assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. During the plan year, the plan had total income of \$102,892,847, including employer contributions of \$99,718,265, employee contributions of \$1,241,378, earnings from investments of \$1,808,715 and other income of \$124,489.

Plan expenses were \$98,763,081. These expenses included \$2,194,875 in administrative expenses and \$96,568,206 in benefits paid to participants and beneficiaries.
