Not sure what type of plan is best for you?

When flexibility is your highest priority: With a Delta Dental PPO™ plan, you can stay flexible. You'll pay a percentage of the fee for covered services, and you can visit any licensed dentist. You'll usually save the most when you stay in network because our PPO network dentists have agreed to reduced fees.

When budgeting is your highest priority: With a DeltaCare® USA* plan, you can stick to your budget. We'll give you a list of copayments for covered services so you'll know your out-of-pocket costs upfront. You choose a primary care dentist from the DeltaCare USA network to oversee your care.
